Dear Parents

### **Bendigo / Ballarat Excursion**

The organisation for the Bendigo/Ballarat excursion has been finalised. Information has been sent home with your child. If you require another copy please contact the school or visit the school website and find the notes attached to calendar dates. The final cost of the excursion is \$485.00. If your child intends to go on the excursion full payment needs to be paid to Palinyewah School by **Monday 22 October**.

### **State PSSA Athletics Carnival**

Congratulations to Chris Radloff and Jessie Worrell who qualified to compete at the State Athletics Carnival during week two term 4. (15 October to 19 October). Jessie has decided to take up this wonderful opportunity and we wish her all the best. It is a fantastic achievement to qualify at this level. Well done Chris and Jessie.

### **Parent/Teacher Interviews & Student Assembly**

It was wonderful to see parent at school last week to celebrate student achievement at our assembly and to have the opportunity to discuss individual student performance with parents. The quality of the work students presented at the assembly was fantastic and I was extremely proud of all the students who presented. It was also fantastic to have a Pop visit our school and participate in the interactive part of our assembly.

### **Farewell Chill and Ziggy**

We would like to farewell Chill and Ziggy until term two next year. We have loved having you at Palinyewah and look forward to seeing you next year. Both students are valued members of our school community and we will miss your company. Enjoy your time back in Queensland.

### **Kindergarten Orientation**

Students starting school in 2013 are invited to attend an orientation program at Palinyewah Public School during term four 2012.

During the orientation sessions students will have the opportunity to participate in class sessions with our current students and be involved in some early learning activities.

The advantage of participating in an orientation program is to familiarize students with the school environment, school staff and school routines and expectations. This time allows students to ease into school life and reduce apprehension at the start of 2013 when learning begins. If you do not have a Kinder Package from the school, please let us know.
