Term 2 – Week 4 18 May 2022

The newsletter of Palinyewah Public School

Principal's address

As we come to Week 4, I have reflected on what a busy and bustling few weeks it has been. I am slowly understanding our school's routines (with the help of the students, of course) and I am adjusting to your wonderful school. I would like to thank every single parent and carer for your kindness you have shown me. The remainder of the term will be even busier for myself as I will be travelling up to Broken Hill for various meetings for new/ principals, but we are very lucky to have Mrs Hunt to cover whilst I am away. Looking forward to the rest of the term!

Barrier Cross Country

Congratulations to Will L and Arden who ventured to Broken Hill last week to participate at Barrier Cross Country. The terrain around Memorial Oval was tough but they both did an awesome job. Arden came 7th in the 8/9 girls and Will came 9th in the 8/9 boys. Well done.

NAPLAN

Week 3 was full of NAPLAN testing with Years 3 and 5 completing Literacy and Numeracy tests. This year, students were to create a narrative text. Year 3 wrote their narratives, with Year 5 typing. All students should be congratulated on their amazing effort and work ethic. They all showed excellent persistence and we are very, very proud of them.

Names on Clothing

As the weather is cooling down there are many students who do not have names on their clothing. It is very hard to give clothing back when they look the same and many are the same sizes.

Please label your children's clothing so it can be returned to the correct person.

Premier's Reading Challenge

Don't forget to keep reading and adding to your tally. Years 3 - 6 need 20 books and Years K - 2 need 30 books.

A very big thank you from Palinyewah students and teachers to grandparent, Mr Ken McLeod and the Mumford Family for their expertise and time in replacing the fence at the back of the school.
